Storms In District Put Precipitation To Nearly Normal

The lusty snow storm, the most severe of the year, which swept over Donner Summit during the weekend, brought 37 inches of snow and 3.39 inches of precipitation to the Truckee area, Henry Toccalini of the U. S. Forest Service announced.

The storm put the area on the credit side for precipitation, the total for the year now being 24.29 inches. The normal for the entire year, ending in September is 31.57 inches and the average up to end of March is 26.88 inches, Toccalini said.

There were 42 inches of snow on the ground yesterday and on this date last year there was none.

The forest service thermometer recorded a low during the week of one below zero on Sunday and a high reading of 46 on Monday.

The storm tied up traffic over Donner Summit during Friday night as state crews battled heavy odds to keep the slides cleared from the road. Visibility was zero as the snow plows continued their fight and when the storm finally ended traffic was resumed.

Monty Atwater, U. S. Forest Service avalanche expert, was scheduled to shoot down a few heavy banks of snow hanging over the summit highway yesterday.

The predicted heavy snow fall for this week failed to materialize was visited by rain and between two and four inches of wet snow. Donner Summit and even Donner Lake received considerably more with 12.5 feet at Soda Springs.

TAHOE CITY — Daryl DeWalt, agent for the Truckee Carson Irrigation District and observer at the dam at Tahoe City, reported yesterday and the level of the lake now stands at 6223.65 or approximately a foot above the low point reached last month.

There were 62 inches of snow on the ground at Tahoe City and precipitation for the week's storms was 3.25 inches.

One gate at the dam is open but no water is leaving because the heavy snow behind the gate is holding it back.

Hoop Awards Are Given To Winners

The Truckee-Tahoe Basketball League tournament for 1962 came to a smashing close March 1 when the Sierra Market Mountaineers finished with a score of 68 in play with the Kings Beach Lions, scoring 60 points.

John Firpo, president of the league, made the presentation of trophies, first going to the Mountaineers, the runner up Kings Beach Lions also receiving one and they ended the season as league champions.

High point man for the winning team was Bob Merica with 24 points and Ken Osburn of the Lions made 20 points.

The second game for consolation trophy went to Marier's Marauders with 52 points as against 42 made by their opponents, the Pacific Telephone Co.

Floyd Cooper and Craig Robinson tied as the most valuable player of the 1962 league and each was presented with a trophy by Firpo for their efforts.

RUTH KNIGHT TO BE LOCAL SCHOOL NURSE

Miss Ruth Knight, who has been employed at the Tahoe Forest Hospital for the past year and a half has accepted a position as school nurse for the Tahoe Truckee Unified School District, assuming her new duties March 1.

Miss Knight is a registered nurse and comes to the new position with highest recommendation. Before coming to Truckee, Miss Knight practiced in the bay area.

SERVICE EXTENDED AT POST OFFICE HERE

Postmaster Richard Higgins this week announced that service at the local post office is being extended to a seven day a week schedule starting April 1.

While the business office will be closed as usual Saturday afternoons and Sundays, mail will be put in boxes and dispatched every day of the week, Higgins said.

HIGH SCHOOL PTA TO HOLD MEET MARCH 15

Daven Morey, president, announced this week that the Tahoe Truckee High School P. T. A. will meet in the edifice Thursday, March 15 at 8 p. m.

William Goodhue is scheduled to present a panel discussion with school students participating. Refreshments will be served. The meeting had been planned for March 8 but postponed because of inclement weather.

The R. S. Trowers visited in Virginia, later going to San Diego to visit relatives.

Patrolman, Cattle Are Victims Of Slides On Summit

A California Highway Patrolman and a truck trailer containing 75 head of cattle were victims of the blizzard which lashed the Sierra Thursday night.

The patrolman, Glenn Virus of Truckee was patroling the Donner grade about 8 p. m. when a snow slide dropped onto the road burying his car under several feet of soft snow. Virus, who was out of the car when the snow broke loose from above, quickly entered the vehicle and was probably saved from serious injury.

He managed to dig himself out of the slide and was rescued by a division of highways truck operated by Martin (Ace) Phipps of Truckee which was nearby.

Donald L. Danglemaier, 37, driving the cattle truck for the De Long Truck Lines of Winnemucca, Nevada, leaped to safety when his rig was caught by an avalanche near Big Shot.

The truck was carried over the bank and the cattle scattered in the deep snow. All attempts to rescue them were abandoned and they were destroyed and much of the meat was salvaged.

When the storm gained momentum Thursday night and the slides continued to defy efforts of the highway crews and visibility was near zero, the summit was closed and not reopened until Saturday morning at 8 o'clock.

The cattle truck was pulled from the ravine Monday afternoon by Thornton's "Big Hook."

Since Highway 50 was closed, transSierra traffic was routed over the Feather River route.

MRS. TOCCALINI IS LUNCHEON HONOREE

Mrs. Henry Toccalini of Truckee was to be honored at a luncheon Thursday, March 8 at the Nevada Art Gallery by the Reno branch, National League of American Pen Women.

Her large oil painting "Springtime in Nevada" has been chosen to hang in the Nevada Art Gallery, 643 Ralston St., during the entire month of March.

Mrs. Toccalini exhibited four oils in a statewide art show in February at the home of Mrs. George Schilling and her work caused much favorable comment.

Mrs. Toccalini has also been invited to exhibit at the annual arts and flowers show sponsored by the Twentieth Century Club, 335 West First Street on March 30.

HEART FUND DRIVE OPENED BY LODGES

The Naomi Rebekah Lodge No. 2 with the I. O. O. F. Lodge have named committees to call on each home and business place in the vicinity to swell the Heart Fund seventh annual drive, as an outstanding public service.

Those named and their districts are as follows: Maggie Avila, Donner Summit; Julia Davis and Goodi Mori, east end of Donner Lake; Laura Harmon and Dorothy Slack, west end of Donner Lake; Georgiana King, Gateway Park; Callie Kydd and Mary King, Truckee residences.

Richard Quist and Budd Kydd of the men's organization will call on business houses. A total of $1,166.93 was collected last year and the amount is expected to exceed this in the current campaign. Mr. and Mrs. Kydd and Mr. and Mrs. Quist were appointed on the American Field Service.

LEVRAS TO INSTRUCT IN SQUARE DANCING

John and Sophie Levra, well known in square dancing circles in this region are planning to teach adult beginners in the dance, with registration timed for Saturday, March 10 at 8 p. m. in the Elks Lodge building at Tahoe Vista.

Those interested in joining the group are asked to call LI 6-3563.

PTA WILL OBSERVE FOUNDERS DAY HERE

The Founder's Day program postponed by bad weather, will be observed by the Truckee Elementary school P. T. A. Monday, March 12. The meeting will open at 8 p. m. with Mrs. Fosten Wilson presiding when election of new officers will be held and Cub Scouting will be discussed.

Bids Are Asked On Big Freeway Job On Donner Route

The state division of highways today advertised for bids for construction of over six miles of four-lane divided freeway on U. S. 40 in Nevada and Placer Counties from 3.2 miles west of Cisco Grove to Hampshire Rocks, according to officials at the Marysville district office.

Bids will be opened April 25 with a total of $10,400,000 in state highway funds budgeted for the project which is also a part of Interstate Highway 80.

The section is the last piece of U. S. 40 between Sacramento and Nevada that is not either completed or under construction to freeway or expressway standards.

The job will include construction of nine bridges, five undercrossings, and one overcrossing.

Under a separate contract, clearing of the right of way has been in progress since last September.

Sportsmen Will Meet On Friday

Members of the Truckee Outdoor Sportsmen and everyone else interested in the future of deer hunting in this district is invited to attend a meeting at the fire station Friday night at 7:30 to prepare recommendations for the fish and game commission's consideration.

Director Charles Osburn said the club had hoped to hear from Robert Montgomery, district manager, before making recommendations but that due to illness Montgomery cannot be here before March 30 and the commission meets on April 2 to fix regulations for the year.

Many of the sportsmen are of the opinion that a game refuge should be established in the district to provide for increasing the buck population, but just what action will be taken at the meeting in this regard remains to be seen.

GIRL SCOUT COOKIE SALE STARTS FRIDAY

TAHOE CITY — Girl Scouts of the Truckee-Tahoe neighborhood will commence their annual cookie sale drive after school on Friday, March 9. Funds received from this project will benefit the Scout program both directly, from cash proceeds fro mthe sale, and indirectly, from funds that are sent to regional and national headquarters, through increased camping facilities and other benefits. It is particularly important in our community to raise funds from this sale because our Scouts do not have the advantage of participation in any community crusade financing.

General chairman of the cookie sale drive is Betty Starratt of Tahoe City. She is being assisted by Fran Drury of Truckee and Ann Tiller of Kings Beach.

SHIRNELL HANSEN TO WED TRUCKEE MAN

Mr. and Mrs. George W. Hansen this week announced the betrothal of their daughter, Shirnell Marie Hansen to Rolland Gene Gautsche.

The bride-to-be, with her family has resided in Truckee for the past five years and is a graduate of the Tahoe Truckee High School, presently employed at Cabona's Store.

Gautsche, the son of Mr. and Mrs. William Gautsche of Truckee is also a graduate of the local high school and is in business in the Chevron service stations.

The well known couple has planned an April wedding, to be performed at Reno, Nevada, and will establish their home here.

HORSEMEN TO NAME OFFICERS AT MEET

Everyone interested in the plans and program of the Truckee Donner Horsemen's Association is invited to attend the organization meeting at Hill Top Lodge tonight when articles of incorporation will be formally accepted and officers elected.

James Sampson, president of the board, said three officers will be named, a president, vice president and secretary-treasurer.

Artillery Barrage Is Used To Prevent Snow Avalanches

All ski areas on the Truckee District of the Tahoe National Forest as well as state highways and other roads in the region are safer from avalanches today as a result of a bombardment conducted by Monty Atwater, avalanche specialist for the forest service.

District Ranger George Steed reported today that cornices at Squaw Valley and Alpine Meadows have been shot away to prevent slides and yesterday at 10 a. m. Atwater set up his artillery near Big Shot on Donner grade, at a suggestion from Superintendent Frank Fox of the division of highways, and blasted 14 77mm shots into the overhang. Traffic was stopped for 30 minutes to permit the shooting and clearing the road.

Later in the day, the gun crew invaded State Route 89 just south of Deer Park and sent a barrage into dangerous cornices above that highway.

Subsequent inspection showed the area to be comparatively safe, unless new snow falls, Steed reported.

Johnson Opposes S.P. Train Change

Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley, district has registered a strong protest against the proposed discontinuance of Southern Pacific trains 27 and 28, the San Francisco Overland.

In a letter to Robert L. Murphy, chairman of the interstate commerce commission, Representative Johnson declared that this proposal would create an undue hardship on people who must rely upon railroads as the only mode of passenger transportation available to them.

"Discontinuance of the San Francisco Overland would mean that only one passenger train, the City of San Francisco, would be available to the traveling public in the territory served by the Southern Pacific between San Francisco and points east, via Ogden.

"Then of necessity the City of San Francisco would be required to stop at every station to afford passenger service to the many communities along the route," Congressman Johnson said. "Obviously, the time consumed to travel on the City of San Francisco would be increased, further discouraging the traveling public."

It was on this basis that the Congressman made his plea to the Interstate Commerce Commission to reject the petition to discontinue the trains.

INSURANCE AGENCY IN NEW QUARTERS

The Tahoe Truckee Insurance Agency during the weekend moved into its new and modern offices at the Gateway Shopping Center in West Truckee, Tom Hoffman, manager, announced.

The offices occupy a portion of the new business block on the south side of the street being constructed for the owner, Richard Joseph, by Contractor Barak Wright.

Customers and potential customers are invited to call and inspect the new quarters, Hoffman said. The offices were formerly on the second floor of the Masonic Building.

CANDIDATES FILE IN NORTH TAHOE RACE

TAHOE VISTA—Incumbent Directors Willis O. Mizner, Edward W. Wiseman and Alice Sorensen have filed for reelection to the board of the North Tahoe Public Utility District.

Mizner will be opposed in the May 1st election by Herbert J. Grellman; Wiseman by Donald O. Beck, and Mrs. Sorensen by Robert A. Washburn.

Mrs. Sorensen and Washburn are motel operators. Beck is a real estate broker. Grellman is a pit boss in a Crystal Bay casino, Wiseman is retired and Mizner is a grocery store and bowling alley operator.

In Hospital—

F. Franceschini was reported to be a patient in the Southern Pacific Hospital, following a recent illness.

Dog Races Slated This Weekend At Lake Golf Course

KINGS BEACH—All roads will lead to the Brockway Golf Course at Kings Beach this weekend when the first annual Tahoe Sierra Dog Derby will be held March 9 through 11.

The welcoming dinner for mushers and guests will be held at Crystal Bay Club at 8 p. m. Friday with the dog racing starting at 11 a. m. Saturday and Sunday. Spectators will have free access to all events.

Following the races Saturday, the North Tahoe Elks will battle the Elks from South Tahoe for the "world championship snowball fighting" title. The winner of the first two heats out of three will be crowned champions.

Festivities will continue Saturday night with an award dinner for the day's winners, a fashion show featuring 10 lovely Lake Tahoe misses, who will model clothes from the shops in Tahoe and Truckee. Queen contestants will be judged by professional entertainers appearing at Nevada clubs. This will take place at Nevada Lodge beginning at 7 p. m.

The public is invited to attend the no-host party and dance at the Sierra Snowflake Ball.

Sunday's events will include lady and junior races and the second of the 12 mile heat of the long distance contest.

A match bowling tournament between mushers and bowlers will be staged along with award presentations after the races at the Kings Beach Bowl.

JAY CLARK LEAVING QUARANTINE POST

Jay Clark, for several years inspector at the Truckee quarantine station as intermediate clerk, has been advanced to senior clerk and is leaving soon for his new post at Winterhaven. Mrs. Clark, who has been employed at the Tahoe Forest Hospital, will accompany him to their new home.

Clark is being replaced by Michael Welch of San Pedro, who will start duties here next Tuesday. Welch is married and the couple will reside here.

THREE BABIES BORN IN LOCAL HOSPITAL

Three new citizens arrived at Tahoe Forest Hospital for their parents, the first of the trio is Karen Anne, daughter of Mr. and Mrs. Lowell Edwin Northrop, Jr., of Tahoe City. Her weight on February 24 was 6 pounds, 10½ ounces.

On stormy March 1, Terry Lee arrived for Mr. and Mrs. William John Schoonmaker of Kings Beach. Terry's initial weight was 7 pounds, 7ounces.

Cari Chresten were the names selected by Mr. and Mrs. Norman Arthur Wilson of Tahoe City for their daughter, born March 5. Scales registered 6 pounds 7¾ ounces for Cari.

LODGE OFFICIAL TO VISIT LOCAL GROUP

Maggie Avila presided at the February 28 meeting of Naomi Rebekah Lodge No. 2 when plans were discussed for the president's visit, March 28. Mrs. Ben King was recommended as the district deputy president of district 21 for the coming year.

March 14 will be the next meeting date of the lodge when Maureen Brown and Lorna Boren will compose the refreshment committee.

OUT OF HOSPITAL

Mrs. William Reinhardt who spent several months touring Europe, returning to Pasadena in the late fall, has written that she is now recuperating after a long hospital visit and is interested in learning of the activities of friends in the Lake Tahoe vicinity. Mrs. Reinhardt is a long time summer resident of the Lake.

ELECTED TO OFFICE

Diane McGihon was installed as social chairman of Manzanita Hall at a recent candlelight dinner held by the University of Nevada women's dormitories. Miss McGihon is the daughter of Mr. and Mrs. D. L. McGihon of Truckee.

San Francisco is headquarters city for a rich nine-country area.

Local Power Men Are Promoted By Sierra Pacific Co.

Announcement was made yesterday of the promotion of Frank W. Gaiennie to the new position of manager of outside districts of the Sierra Pacific Power Company.

In addition to his new duties, Gaiennie will temporarily function in his former position of district manager of the Truckee-Lake Tahoe district, pending training and transfer of duties to replacement personnel, Neil W. Plath, vice president in charge of operations, announced.

In his new position, Gaiennie will supervise the Truckee, Portola, Carson and Lovelock districts and will be the liaison between the main office and the respective districts.

Gaiennie joined the company in November, 1922 as an operator at the Washoe plant when the predecessor company to Sierra Pacific was the Truckee River Power Company.

He advanced through the years to assistant agent in Carson City, agent at Yerington and came to Truckee in 1927. By 1930 he was foreman of the line crews and in 1931 became superintendent of

Last Rites Held For Nina N. Sorensen

Funeral services were held Wednesday at 1 p. m. for one of Lake Tahoe's most widely known and respected citizens, Mrs. Nina Naomi Sorensen, 75, who expired at her home in Tahoe Vista Monday following a long illness.

The services were held at the Truckee Colonial Mortuary with Rev. Richard Fowler of the Community Methodist Chruch at Kings Beach officiating. Cremation followed.

Mrs. Sorensen, known to her many close friends as Aunt Nina, was born in Blackfoot, Idaho, December 25, 1887. Before coming to Tahoe Vista 24 years ago she lived for some years in Hayward.

She is survived by her husband, Carl of Tahoe Vista and a sister, Mrs. Emma Graves of Inglewood. A nephew, Oroville Graves lives at Torrence and there are several cousins in the San Joaquin, Los Angeles and bay area districts.

Mrs. Sorensen was a registered nurse and for many years before there were doctors at Tahoe, she was called upon to provide medical services. She was the oldest member of the Women's Club of North Tahoe and had been active in community affairs until illness forced her to retire.

VICTOR SARTOR IS HIGH IN SCHOOL TEST

TAHOMA—Victor Sartor, son of Mr. and Mrs. S. D. Sartor of Tahoma, Resort now a senior in the Pomona High School and former local student, has received a certificate of merit from the National Merit Scholarship Corporation signifying that he has advanced to the final stage in the merit program.

He took his first test in his junior year and placed in the 99th percentile making him a finalist, a distinction won by less than one half of one per cent of the high school seniors in the entire nation.

Selection of merit scholars who will be eligible for some 900 scholarships will be announced in April. Exactly 586,813 students from 15,095 high schools took the qualifying test.

POSTAL RECEIPTS IN TRUCKEE SHOW GAIN

Another indication that the Truckee Donner area is more than holding its own economically and showing a healthy growth was seen this week in the report from Postmaster Richard Higgins.

Higgins said that stamp sales at the office for the first two months of the year show an increase of 11 per cent over the same period for 1961.

INJURES BACK

Mrs. Helen Armstrong, clerk at the Tahoe Truckee High School, suffered severe back injuries recently when she fell on the ice in front of the school. She was taken to the Tahoe Forest Hospital for treatment.

Voters To Decide New District With Balloting Tuesday

Voters will go to the polls Tuesday to decide one of the most important issues to face them for some time when they will ballot on whether or not a recreation district, comprising the fifth supervisorial district shall be formed.

There will be five voting places and the polls will be open between 7 a. m. and 7 p. m. Donner Summit residents will vote at Donner Summit Lodge, Donner Lake's polling place will be at Swanson's Realty office and at Floriston at the Felesina residence. There will be two polling places in Truckee, one in the Methodist Church and the other in the justice court.

Everett Gale, representing the division of recreation for the state, spoke before an audience of more than 50 people in the old elementary school Tuesday night pointing out advantages of a self-governed recreation district and answered numerous questions.

It has been pointed out by the committee from the Truckee Donner Chamber of Commerce sponsoring the project, that in this area recreation is the principal industry and that it must be developed and promoted if the area is to keep pace with other similar districts.

Currently, the committee stressed, the county is contemplating a county-wide district which would be supported in part by this region and which likely would not give the benefits which could be provided locally.

Five directors of the district will be elected Tuesday and candidates are Dr. H. P. Tapia, H. C. Savage, William Curran, Charles Osburn, Dr. E. O. Hendrickson, George Gangler, Dan Horman and Daven Morey, whose names will appear on the ballot. Although his name will not be on the ballot because of late filing, Sherman Reams is also a candidate.

Conservation Week Observed In School

In observance of Conservation Week, March 7 to 14, officials of the department of fish and game and the U. S. Forest Service are speaking before various student groups in the local school and showing movies of conservation, Ranger George Steed of the Truckee District of the Tahoe National Forest, announced.

For 28 years, Conservation Week has been observed annually in California during this week. The 1962 theme: "Join the Crusade for Conservation" calls attention to the vital necessity for long-range planning to meet increased population demands.

Following are suggested ways for participation in Conservation Week activities:

Join in the "Keep Green," "Smokey Bear" or other fire prevention campaigns.

Conserve water by using it wisely and protecting sources of supply.

Practice outdoor good manner—enjoy clean cities, roads, camps and countryside.

Actively support organizations dedicated to conservation of soil, minerals, forests, water and wildlife.

FORMER LOCAL MAN EXPIRES IN BAY AREA

Mal Galbraith, at one time an inspector at the Truckee quarantine station and later a district inspector in this area, died at his home in Alameda Sunday following a long illness. At the time of his death, Galbraith was superintendent of the San Francisco port station.

He is survived by his wife and two daughters.

Funeral services were held Wednesday at Alameda.

BUILDING INSPECTOR OPENS LOCAL OFFICE

Jack Bergman, deputy building inspector in charge of the eastern section of the county, announced this week that the local office has been opened in the veterans building in quarters occupied by the area sanitarian, Richard Walker. Office hours are from 8 a. m. to 5 p. m. and the phone number is LUther 7-3423.

OUT OF SERVICE

Airman First Class Raymond Crandall, who was discharged from the air force last month, has joined his parents, Mr. and Mrs. Ed Crandall in Truckee. Crandall served ten years in the air force and was in foreign service twice during that time.

ANNIVERSARIES

A number of local people celebrated February dates, including Donna Horman, Gary Grow and James McIver who celebrated their birth dates with their families and Mr. and Mrs. Frank Giovannoni, Sr., who observed their wedding anniversary on February 20.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on April 25, 1962, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada and Placer Counties, between 3.2 miles west of Cisco and 0.4 mile east of Hampshire Rocks, (III-Nev., Pla-37-A,F) about 6.9 miles in length, a freeway together with frontage roads, interchanges and connections to be constructed by grading and paving with portland cement concrete on cement treated base over aggregate subbase, asphalt concrete on aggregate base and cement treated base over aggregate subbase, and on existing pavement, and by constructing 14 bridges.

Bids are required for the entire work described herein.

PLANS, SPECIFICATIONS, AND PROPOSAL FORMS TO BE USED FOR BIDDING ON THIS PROJECT CAN ONLY BE OBTAINED AT THE OFFICE OF THE STATE HIGHWAY ENGINEER, PUBLIC WORKS BUILDING, SACRAMENTO, CALIFORNIA.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions.

The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdp	per day paid

STATE WILL EXCEED NEW YORK BY 1963

SACRAMENTO—(CNS) — California is growing bigger faster.

Governor Edmund G. Brown, in a statewide television report on the "State of the State", said California will become the largest state in the union on Dec. 21, 1962, and, by January 1, 1963, will be 12,000 larger than New York.

"For months our researchers had been telling us that California would become the largest of the 50 states in August of 1963," Brown said. "Tonight I can disclose that that estimate has changed.

"Our rate of growth has increased so in the past few months that there is a new target date for California's taking the lead," he said. "The new date is Dec. 21 of this year."

Brown proposed that the entire state begin now to plan "the biggest party this state has ever seen" to celebrate the historic event. He said he would appoint a statewide committee of prominent Californians in business and industry, government and labor, and the arts and professions to plan the celebration.

Brown said his population estimate was based on studies by the department of finance's population experts. In its own estimate of the 1960 federal census, the department came within .2 per cent of the actual population count in California, a more accurate prediction than that of the federal bureau of the census.

Recently studies by the department's experts show that California's daily rate of growth has increased over the census bureau estimates. In making the forecast that California would become the largest state on Dec. 21, the department assumed that New York's rate of growth had not changed.

DONNER AUXILIARY MEETS THURSDAY

By Virginia O'Bear

The Auxiliary of the Donner Lake Volunteer Fire Department will meet next Thursday, March 15 at the Donner Lake Coffee Shop. Lillian and Glen Carr are planning a delicious swiss steak dinner and hostesses Bess Reid, Dorothy Slack and Ozella Slate have a gala St. Patrick's Day party planned.

The dinner will start promptly at 7:30 and for those who are unable to get away for dinner, come around eight or so for the meeting. This is very important meeting and all members are urged to attend because there is a talent show coming up the 27th and 28th of April with a $25 prize being given for the best skit by the Fire Ettes. Other business for the year will be discussed and it is important to get the approval of the entire membership.

TRAFFIC FATALITIES IN STATE WERE HIGH

California traffic fatalities reached a one-year high during 1961, but the mileage death rate—deaths per 100 million miles of vehicular travel—continued to fall, Highway Patrol Commissioner Bradford M. Crittenden said.

The official 1961 death toll was 3839, or 35 above the previous high mark recorded in 1956.

"However, the mileage death rate dropped to 5.2, continuing a general decline evident since 1946 when the figure was 11.4," the commissioner said. The 1960 rate was 5.3 deaths per 100 million miles of travel.

Injuries caused by motor vehicle accidents were higher in 1961, totaling 163,945 compared to 154,760 in 1960, the commissioner said.

DONNER DOINGS

By VIRGINIA O'BEAR

Last week I was just about ready to "head for the valley" for a few days but when I got to thinking it over, decided against it. I wouldn't want to be in some of those places when all this snow starts melting. Then, too, the valleys are getting so much rain with floods everywhere that all of us are much safer here in our snow-clad Sierra even if we are getting cabin fever.

It is true that the snow is piled so high you can't see over it in some places but you can always look up and my . . . isn't the sky beautiful.

Received another letter from Harold Carles this week and he didn't make it to his home in Los Gatos. When he left the hospital a few weeks back, the plane could not land at San Jose because of fog, so it landed at the airport in San Francisco. By that time, he was so weak he became unconscious so they rushed him by air ambulance back to Boulder City, Nevada. He is feeling much better now so his doctor said he might get home in about three or four weeks. He said the people at Boulder City are just wonderful. They kept his room filled with flowers, had a television and every comfort you can think of. The most important of course is their friendliness. In return, he replaced their old fashioned coffee pot with a 30-cup coffee maker and gave the hospital administrator a deer rifle.

Talked with Bess Reid Monday and she said Larry is still in Washoe Medical Center in Reno and is doing fine. He might get to come home this weekend if everything continues to go well. He had surgery on his neck last month.

* * *

Bess Reid served a delicious pumpkin pie with whipped cream and coffee to Ozella Slate, Dorothy Slack and Virginia O'Bear Monday evening when the four got their heads together to plan this months auxiliary meeting. Since so many members like the dinner meetings, plans were made to meet at the Donner Lake Coffee Shop where a delicious swiss steak dinner will be served on Thursday, March 15.

Arnold and Carol Verdi sold their Donner Shore Resort motel to Carol's brother and sister in law, Mr. and Mrs. Jack Marquette of Long Beach. They will officially take over the first of June so in the meantime, Jack is here with their 12 year old daughter Jackie who started school Monday. Marilyn will divide her time between Donner Lake and Long Beach until their son Terry graduates from high school in June. In the fall, Terry plans to enter the University of Nevada. The Verdis plan to stay in the area as Arnold still has the Squaw Valley Stables. Carol is recuperating from back surgery and has to take it easy for quite some time so therefore motel responsibilities are just too much for her. She said at least they are keeping the motel in the family or else it would have been hard to part with it.

* * *

The petitions are still being signed by Donner residents to get a Donner Lake postmark. If you have not yet signed, stop by Rex Reid's, Swanson's Realty or see Marcella Corro. We want to send the names in soon, we might have a contract station by this summer if we do.

* * *

You registered voters at Donner remember to go to the polls next Tuesday at Swanson's Realty, March 13 and vote. See you there.

SEPTIC FIRMS MUST FILE WITH COUNTY

Any person or firm engaged in the business of cleaning septic tanks, cesspools or sewage seepage pits, or who may plan to engage in such business in Nevada County must first hold an unrevoked registration, issued by the Nevada County health officer or his representative, Dr. E. J. Best, county health officer announced this week.

The application shall state the name in full of the individual, and the firm or partnership if any, business address and place of residence. The exact location of the place at which it is proposed to dispose of cleanings must be stated, Dr. Best said.

Every application for registration to carry on the business of cleaning septic tanks shall be accompanied by a fee of $5 to be collected by the county health officer at the time of application. This fee is not returnable in the event registration is not issued, the health officer added.

HUGE EXPENDITURE PLAN OF COMPANY

Pacific Telephone expects to spend some $3 billion between now and 1970 to meet growing California-Nevada telephone needs, President Carl O. Lindeman announced in his annual report to share-owners.

Lindeman said "it seems clear that significant growth is bound to continue. By 1970 it is expected that there will be over 21 million people in California and Nevada, as compared with 17 million today. By then, we estimate we will be serving nearly 11 million telephones."

The company serves some 6,757,000 phones in its territory today, an all-time high.

Lindeman reported the company's earnings were $1.43 per share in 1961, the same as in 1960.

ELECTRONICS WILL BE AID FOR PATROL

Electronics and the California Highway Patrol have combined to make a new service available to all California law enforcement agencies. It is the publication of a daily bulletin listing stolen and recovered vehicles in license number order, Patrol Commissioner Bradford M. Crittenden said.

"The bulletin will be distributed seven days a week. Each day's listing will contain every vehicle stolen or recovered in California during the previous 24 hours, plus a list of stolen and recovered license plates.

"This service should prove beneficial to the public because of the potential for quicker recoveries, reduction of stripping through faster identification of abandoned vehicles, and an overall reduction of vehicle thefts."

NORTH TAHOE BRIEFS...

. . . By BETHEL

Hat party, the annual affair of the Women's Club of North Tahoe, proved a huge success with almost 70 attending the cocktail and dinner. An original humorous skit written by the club's vice president, Alice Hall, was well received.

The skit's cast included Dorothea Whitley, Julie Von Ruden, Artie Burrill, Marguerite Ashton, Betty Vance, Nadine Neugebauer, Beverly Ribal, Virginia Casella, Sophie Levra, Virginia Flagg, Maxine Polzin, Dorothy Sipes and Marilyn Fugazi.

Judge for the most original, the prettiest and the funniest hats were Dale Malmgrem, Tom Brady and Pete Redfern. Winning the award for the prettiest hat was Lorraine Ducharme's "Oodles of Poodles." The hat featured a large cellophane poodle atop a white hat. Funniest award went to Linda Stevens of Kings Beach whose hat featured an ostrich with its head in the "sand." As to why an ostrich, Linda said she had three children and she oftimes envied the ostrich, its ability to ignore troubles. The most original award went to Ruth West of Kings Beach—the the theme of her hat being "I'd rather be a pink elephant than see one." Elephant, martini glass and bubbles floating above the elephant's head decorated her hat.

Songs by the Tahoettes accompanied at the piano by Marilyn Boatman also entertained the party. Singers were Audrey Brehler, Bern Franklin, Betty Vance, Ruth West, Norma Wilson and Boatman. Added attraction to the singing of a twist song was Norma Wilson doing the twist.

Lorraine Ducharme of the House of Ducharme donated the poodle from her hat to the club. This was won by Mrs. R. H. Ledford of Kings Beach.

The Women's Club extends their thanks to the Nevada Lodge for the courtesies extended them.

Judy Thatcher of Carnelian Bay visited daughter, Sherry, at Davis over last weekend. Returning with her for a week of skiing was 10-year-old David Johnson of Sacramento. David will return home with Sherry nextweek when she comes up to race at Squaw Valley.

Virginia Casella of Kings Beach is visiting aunt and uncle at Santa Monica, Mr. and Mrs. Fred Cantwell, and aunt, Mrs. William Seipels of Athens, Illinois. Virginia plans a two week vacation.

Optimist Club met Wednesday night at the Crystal Bay Club with Bill Ellison, president, presiding. Robert Peterson, assistant ranger of the Tahoe National Forest Service was speaker of the evening.

Directors of the club met at the home of Ben Ferrari at Kings Beach on Monday evening.

Stan Simmons of Reno, former Tahoe Vista resident, visited friends on the North Shore Thursday.

Peggy Thompson of Kings Beach has been confined to home the past two weeks by illness. Son, Phil, suffered a light case of pneumonia. Get well soon.

Carol Harris and daughter, Linda, of Kings Beach have moved to Fairfield.

V.F.W. Post 7077 Auxiliary will meet at the Crystal Bay Club on Thursday, March 8, for their regular monthly meeting according to president, Pearl Draney.

Advanced first aid classes were held last Sunday and Monday night at the Kings Beach fire house with Ella Rae Fulton, Tom Hoffman and Audrey Welch teaching. Enrolled in the advanced classes were Lila Gorrinda, Donna Stumbo, Charles Walker, W. A. Ross, Pearl Draney, Ted Draney, Jacquie Black, Ed Black, Floyd Frakes, Joe Fulton, Marguerite Ashton, Richard Webber, Paul Mullis, Charles Rich, Bill Niday, Andy Anderson, C. Lee Riser, Dick Mayhew, Louise Walter, Otto Walter, Eugenia Fry, Kenny Oelrich and Andrew Tiemens.

Joe and Ella Rae Fulton of Kings Beach enjoyed a trip to Auburn and back by way of Placerville on Wednesday. In all that snow too.

Bill and Helen Elliott of Tahoe Vista spent a week in Los Angeles on business. Also visited son, Bill, Jr. and family, in that city.

Selby Calkins of Incline Beach was speaker for the Rotary Club on Monday night. Introduced by program chairman, Mex Springer, Selby related his recollections of intelligence work in China during World War II. Sam Faulkner, president, officated at the meeting.

Neighbors again. Ray and Barbara Bergman who moved to Reno from Brockway are next door neighbors of Mike and Jean Cinani who previously lived on the North Shore. The families occupy new homes on Rhode Island Drive.

And partners again. Mike and Ray who operated a service station in Kings Beach for several years, are partners in Reno in another business venture.

The American Paint Company at 111 Linden Street, Reno, was opened by Mike and Ray last week. The partners extend a cordial invitation to their friends to visit their new store.

A house warming party was given Ray and Barbara Bergman by Mike and Jean Cinani when they moved into their new home last week. Old friends and new neighbors attended the party.

Virg and Marian Johnson of Kings Beach have moved to Brockway into the Bergman home. Upon the move, Ray and Barbara became the new owners of Sun and Snow Motel.

Red Cross meeting was held Friday night at the home of Ella Rae Fulton at Kings Beach. Mrs. Ruth McCampbell from Reno Red Cross headquarters was guest speaker.

Velda and Jack Farris of Kings Beach entertained Jack and Janice Humphrey of Woodland as weekend guests.

Harry S. Hooper of Brockway flew to Fallon on Tuesday where he addressed the Fallon Rotary Club.

Sara and Bill Hunter of Bacchi's Inn at Lake Forest gave a dinner

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF ARCHITECTURE
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture. Room 172, Public Works Building, 1120 "N" Street, Sacramento, California: until 2:00 p.m., Tuesday March 13, 1962, at which time they will be publicly opened and read in the Hearing Room in Basement of said building, for the construction of the REINFORCED CONCRETE FLOORS AND STEPS, EMIGRANT TRAIL MUSEUM, DIVISION OF BEACHES AND PARKS, DONNER MEMORIAL STATE PARK, NEAR TRUCKEE, NEVADA COUNTY, CALIFORNIA (W. O. AH01 020 C), in accordance with the plans and specifications therefore and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises the furnishing of all labor, materials and equipment necessary for placing approximately 7500 square feet of reinforced concrete floor in and about a newly-constructed museum building.

Construction includes fine grading of the existing sub-base; reinforcing steel; perimeter and underfloor insulation in certain areas: placing and finishing of concrete floors and steps; and related miscellaneous work.

Bids will be entertained on a lump sum basis only.

Plans and specifications, and forms of proposal and Bidder's Bond may be obtained by requesting them in writing from the Division of Architecture, Public Works Building, Sacramento, and they may be seen at the office of the Division Architecture, Public Works Building, Sacramento and the Builders' Exchange Offices.

A deposit for plans and specifications will not be required.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the Provisions of the Building Requirements and Conditions set forth under Section 1 of the Specifications. Each bidder must be licensed, and also prequalified when required. (See Bidding Requirements and Conditions, Section 1 Part B, and as amended in Section 1 Part A.)

The Department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

Apprentices: Pursuant to Section 1777.5 of the Labor Code and in accordance with the regulations of the California Apprenticeship Council, properly indentured apprentices may be employed in the prosecution of the work. Information relative to the number of apprentices, identification, wages, hours of employment and standards of working conditions shall be obtained from the Director of Department of Industrial Relations, who is the administrative officer of the California Apprenticeship Council.

Prevailing Wage Rates: Pursuant to the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth in this notice.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

The basic rate for any classification omitted, shall be not less than $3.225 per hour plus employer payments set forth in the collective bargaining agreement governing the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

and cocktail party for business associates on Monday evening.

Soroptimist Club of Lake Tahoe met Tuesday evening at the Crystal Bay Club for dinner, Maggie Stollery, president, Marty Rieck, vice president in charge of arrangements.

Service Chairman Ellen Sklar, announced that Varien Frey, who received the Soroptimist scholarship and is attending Chico State College, plans to visit the club during Easter vacation. Varien achieved a 3.96 grade average during her first semester.

Bea Norris and Helen Torquet have been appointed to serve with chairman Mickey Mandeville on the scholarship awards committee.

Mildred Matthias, by-laws chairman, plans to visit several Soroptimist clubs during her six weeks vacation in the south.

Maggie Stollery, president, hosted a dinner meeting for the directors Thursday at the Crystal Bay Club.

The Rueben W. Hill, III, family spent several days at their Brockway home last week.

Tony Ryerson of Lake Forest, Illinois, is at his Brockway home for several weeks of skiing. Other members of the Ryerson family will join him in a couple of weeks.

Carl and Betty Moran of Allegheny are visitors of John and Jeri Rayburn at Incline Beach.

Adeline and Lyle Gunkel of Tahoe Vista were Marysville visitors Thursday.

William and Mabel Coulter of Incline Beach spent a few days in Reno last week returning just ahead of the storm.

Happy anniversary to Harry and Vivian McIntire of Tahoe Vista who celebrated their 18th wedding anniversary on March 3. Celebration was postponed due to the heavy snow storm.

Also celebrating their wedding anniversary on March 3 was Bob and Estelle Molsberry of Kings Beach who observed their 21st anniversary.

A bridge party was enjoyed at Vel's Patio, Kings Beach, on Tuesday night with the following couples present. Barney and Eileen Wilen, George and Ann Hansen, Earl and Vel Danielson, Frances and Julie Von Ruden, Lynn and Bev Ribal and Bob and Marilyn Fugazi.

Al and Anna Burghardt of Tahoe Vista entertained at bridge and dessert on Wednesday evening. Guests were Frances and Julie Von Ruden, Barney and Eileen Wilen and Earl and Vel Danielson.

Harry S. Hooper of Brockway was a Novato visitor Thursday when he visited parents, the George Hoopers.

The Mardi Gras scheduled for Saturday night, March 3 was cancelled due to the snow storm, according to the Tahoe Squaws who were sponsoring the ball. The new date set was for Friday night, March 9. It is anticipated that there will be a large attendance, and, of course, a lot of fun.

Schools were closed Friday due to the heavy snow storm. Highways 40 and 50 and spooner Summit to Carson City, Lake of the Sky-way (the Truckee shortcut), and Mt. Rose all were closed due to the heavy snowfall. Many who were on trips were delayed getting in however. No one wanted out. The area has wanted and needed snow and now it is getting it.

Helen Chanda of Carnelian Bay and Jeffry Hoffman, Tahoe Vista celebrated their birthdays on February 7. Helen made the birthday cake for Jeffry, who was 8 years old and son of Tom and Chris Hoffman. Little friends invited were Jeff Bracey, Randy Austin, Kurt Stumbo, Mike Weiss, Chris Grellman, Jackie Biggs, Greg Jones.

SAFEWAY'S THE PLACE TO BUY MEATS!

AGED
Even the finest quality meats reach peak tenderness and flavor only after proper aging. In our vast air-conditioned aging rooms, Safeway meats are held under controlled temperatures the exact number of days required to insure perfect tenderness and flavor.

U.S.D.A. CHOICE
All Safeway Beef and Lamb are U.S.D.A. Choice. Graded by U.S.D.A. experts who judge the meat strictly and impartially, awarding this choice grade only when U.S.D.A. specifications are met.

TRIMMED
Prices alone never determines a good meat buy. In addition to quality you have to consider the actual amount of meat you get to eat for your money. Compare our trim and you'll see why Safeway meats are a better buy every time.

GUARANTEED
Take home any cut of Safeway meat and cook it your favorite way. If you are not completely satisfied, your money will be cheerfully refunded in full.

TNT TIDINGS

By Jack Sigesmund

TNT STUDENTS STAR ON TV

Four students of Tahoe Truckee High School appeared on the quiz show "Varsity Quiz" last Saturday, March 3. School representatives were Donna Stumbo, senior; Daven Morey, junior; Jim Grady, junior; and Joel Sigesmund, freshman.

The opposing team was from Yerington High School in Nevada vada. They beat Tahoe Truckee by a score of 240-90.

Member of the panel were chosen from many who tried out. The students who answered the most questions correctly during the try-outs qualified to go. The panel was accompanied by Mr. Watkins and Miss Moniz, Miss Witham, teachers at TNT.

The half-hour long program appeared on KOLO (Channel 8) at 5:30 p. m.

CSF ORGANIZES SPRING SEMESTER

Election of CSF's spring semester officers was held in February under the supervision of club sponsor, Mr. Dewhurst. New officers are: Bob Kettenhofen, president; Janice Roth, vice president; Leilani Braasch, treasurer; Kay Clauser, secretary; and Parky Bechdolt, representative.

The tentative members of CSF for the coming semester are as follows: Bob Kettenhofen, Bob Jinks, Parky Bechdolt, Leilani Braasch, Kay Clauser, Al Eberhart, Sandy Fellows, Kitty Bean, Eve Houser, John Holley, Marcia Kieler, Linda Knol, Margy Mandeville, Francy McGwinn, Janice Roth, Jack Sigesmund, Karen Smart, Kim Turner and Mike Kehoe.

JSA PASSES FIRST BILL

At a noon meeting of the Junior Statesmen of America club last February 26, the first legislative resolution was passed. It was an amendment to the chapter constitution concerning the selection of convention representatives by use of a point system. This bill was the product of a special committee called earlier in January.

An amendment to the amendment was introduced by Margy Mandeville to give more credit to those resolutions which do not receive passage but are of excellent quality. The amendment was passed.

Co-sponsorship of TNT's J.S.A. chapter by the Optimist Club was announced by Jay Mandeville in a special address to the club. The sponsorship includes a loan for paying state taxes and calls for fund-raising projects to be coordinated by both groups.

Male members of J.S.A., as well as the entire student body, have been invited to participate in a speech contest sponsored by the Optimist Club.

JUNIOR CLASS HOLDS MEETING

The Junior-Senior Prom and the Talent Show were the topics discussed at the junior class meeting held February 20.

Admission prices for the forthcoming Talent Show were set $1 for adults, 75 cents for students, and 50c for children.

Suggestions for the prom theme were accepted and will be voted on at some future meeting. The theme suggestions were: Cinderella Ball, Wabash Cannon Ball, Coachman's Ball, The Glass Slipper, Southern Plantation, Golden Coach-On a Tropic Island, The Revel's Ball and Showboat.

The prom will be held at the Cal-Alumni Center near Granlibakken sometime in late May.

FREE THROW CONTEST

Scot Slatovoski won the annual free throw contest of TNT sponsored by the Block "T" society. Scot came through with an amazing 87 out of 100. This is only two shots below the all-time record set by Craig Robinson in the 1958-1959 school year. His results were 89 out of 100.

EXPANDED USE OF HELICOPTERS FOR FIRES IS PROPOSED

By Congressman "Bizz" Johnson

Expanded use of helicopters in all National Forests of the Second, mountain-valley, district is one means of stepping up a program of fire prevention and quick suppression in our timber country.

This was brought out in the first of a series of meetings which I am holding with the various departments of our executive branch of government in order to discuss problems and programs vital to the 19 counties of the Second District. Top officials of the Forest Service participated in this meeting held a few days ago in my office.

Helicopters were put to a severe test last fire season. The "choppers" passed with flying colors. Last season California's National Forests had more lightning fires than ever before in history, yet in forests where the helicopters were being tested the acreage burned was substantially less than it has been in recent years. Fire fighting officials attribute this directly to having a helicopter available on the forest for transporting initial attack forces promptly upon reporting a fire.

I asked if the 'copters were not limited in their tasks and was told that they are extremely versatile. In one California fire, a 700 man fire camp was moved including its equipment. In another a 100 man crew was shuttled across a deep canyon by a single three passenger "chopper" in a remarkably short time.

Fire officials say it is hoped that this year each of the National Forests in California will have at least one helicopter available on the spot for immediate use in attacking fires while still small and preventing them from spreading into major conflagrations.

The study of the use of helicopters and other aspects of early striking power in the initial attack forces is part of an overall reevaluation of fire fighting and prevention now being made by the Forest Service.

Last year we were able to obtain substantial increases in our fire prevention appropriations. This permitted the successful testing of the helicopter operations which certainly paid off. I am pleased that President John F. Kennedy is urging continued emphasis in this field in his 1963 budget now before the Congress.

President Kennedy is asking an increase of $1,400,000 for fire prevention purposes. Nearly a quarter of this increase would be allocated to California.

The basic study of fire prevention is another integral part of the general reevaluation which I mentioned above. The study has shown a substantial need in several areas:

1. More thorough and more frequent fire prevention inspections of construction activities and fire hazards involved in other forest operations and residences.

2. Prompt investigation and enforcement of all fire law violations.

3. A stepped-up program to inform the general forest-using public about fire hazards and how they may conduct themselves in the woods in order to reduce fires.

4. An increase in the fuel treatment program. The forest service has been studying this for a considerable time. Part of the answer is conventional disposal of logging slash following timber sales, officials advise me. Part is establishment of fire breaks and cleanup of fuels along roads both to prevent fires from starting and to permit use of the road as a fire break.

Fire pevention and quick suppression is essential to the mountain areas of California. I will continue to follow these developments closely because of their vital importance to our areas and I will do everything in my power to see that these needs are met.

SQUAW VALLEY MAN SENTENCED TO JAIL

TAHOE CITY— Earl W. Rucker of Squaw Valley has been sentenced to 60 days in the Placer County jail following a charge of petty theft brought against him February 14.

Rucker was arrested by sheriff's deputies in January when officers said they found liquor, clothing and other articles reported stolen from Squaw Valley Lodge. A felony complaint lodged against the defendant was reduced when he appeared in superior court. He pleaded guilty to the reduced charge.

100,000 MOTORISTS ARE CITED IN MONTH

The average driver's definition of enjoyment would not include receiving a traffic citation, yet each month nearly 100,000 motorists make a mistake which brings them a ticket from the California Highway Patrol.

"Most of these tickets could have been avoided by the simple action of complying with the law. I am sure this is understood by most drivers, which makes it the more difficult to comprehend why violations continue in such numbers," said Patrol Commissioner Bradford M. Crittenden.

"As a practical matter, the citation process may cause the driver embarrassment at being halted, delay in completing his journey and last, but hardly least, a dent in his finances when he must pay the fine.

"Cold consideration of these possibilities could react to prevent many violations," the commissioner said. "We hope so, because despite the implication that it might reduce the number of citations we would issue, a drop in actual violations will result in a corresponding decrease in accidents — which is the basic goal of any enforcement program."

GIRL SCOUT OBSERVE FIFTIETH BIRTHDAY

The "Girls in Green," almost 3½ million Girl Scouts, will be 50 years old on March 12.

Most people at 50 are "old enough to know better" than to camp out of doors on the ground when they could be enjoying a soft mattress, "old enough to know better" than to cook over a wood fire instead of using an electric stove. One would expect that people "over 50" would prefer easier pastimes than painting furniture for the childrens' room in the library, or working in a hospital.

As the Girl Scouts reach their 50th anniversary they are as enthusiastic as ever about roughing it in the out-of-doors, and busy as ever learning new skills and helping others. Their founder, Juliette Lowe, was in her fifties when she brought Scouting to the girls of the U. S. Instead of enjoying a life of leisure in her Savannah home, she worked tirelessly to organize a program which has provided almost 18½ million girls with years of purposeful, happy activity, new found interest and friends.

This year, in honor of their golden anniversary Girl Scouts across the country will undertake service projects to assist the children and youth of their community. These projects will illustrate the second part of the Girl Scout's anniversary theme "Honor the Past — Serve the Future," for they will indeed be serving the future—our children.

May the Girl Scouts never grow "old enough to know better" than to help where it is needed.

BETTS IS CANDIDATE FOR TREASURY POST

Bert A. Betts, California State Treasurer, today announced from his desk in Sacramento that he would seek reelection to the Office of State Treasurer.

In announcing his decision to run for reelection, Betts stated:

"The phenomenal growth of California and the fiscal requirements made necessary by this growth are a tremendous challenge. I have accepted this challenge and believe that I have made great progress through active participation and the assumption of leadership in financing all phases of this growth which so vitally affects each and every one of our 17 million citizens.

WINTER WEATHER IS ROUGH ON WALKERS

Winter months usually touch off a variety of warning messages for drivers, but the hazards of weather hold equal danger for pedestrians, Lt. O. P. Ledford, officer in charge of the California Highway Patrol's Truckee substation, reminded residents.

"Earlier darkness, snow, rain, fog — all restrict visibility. And how often do you read after a vehicle-pedestrian accident the driver's simple but realistic statement, 'I didn't see him.'

"Pedestrians often miscalculate that because they can see the vehicle, the driver can see them. Of course it is the motorist's duty to be extra observant, but the pedestrian can take several common sense precautions to increase his own safety.

"Never step into the path of a moving vehicle until you are certain the driver has seen you and can bring his vehicle to a halt. The pedestrian has the right of way in a crosswalk, but be sure all approaching vehicles know you are there. Incidentally, the law provides that pedestrians on a roadway shall yield the right of way to vehicles at any point other than a crosswalk," the lieutenant said.

MAYBE YOU ARE PLUGGING FOR TROUBLE

Overloaded circuits, insufficient outlets are a sure sign of low housepower. That means your house has inadequate wiring . . . means trouble with electric washers, dryers, ranges, irons and other appliances.

These electric servants can't perform as they normally should, And you suffer the added inconvenience of blown fuses when you use too many appliances at one time.

First step to take in resolving a low housepower problem — call your electrical contractor. He can give you an accurate rewiring estimate and install plenty of circuits to help you live better electrically.

PAUL J. LUNARDI

Lunardi Files For Primary Election

Paul J. Lunardi (D-Roseville) has announced that he will apply for his nomination papers for re-election to the assembly in the California Legislature on the opening date of March 7. He was elected to the Sixth Assembly District seat in 1958 and will have completed two terms.

In making his announcement, Lunardi stressed that the Sixth Assembly District is the largest district in the State of California, and has now been increased to 11 counties. Yuba County was included in the Sixth District under the reapportionment passed during the 1961 session. It encompasses in excess of 28,000 square miles with an approximate population of 195,000 people.

Lunardi's committee assignments since his tenure consist of assembly committee on agriculture, fish and game, livestock and dairies, public health, public utilities and corporations, transportation and commerce, water (of which he is vice chairman), and he is a member of the state allocation board, the joint committee on fairs, allocation and classification, and the newly-formed Indian affairs commission.

Eight million of the 17 million persons expected in the State by January 1, 1963 will be living in Northern and Central California.

TWO PROMOTED

the company's operations here.

With the expanded business in the area, Gaiennie in 1928 took over as district manager.

He is a member of the local chamber of commerce, charter member and past president and zone chairman of the Lions Club; past chancellor of the Knights of Pythias and a member of the American Institute of Electrical Engineers.

Gaiennie plans to remain in Truckee for several months but eventually will have offices in Reno.

At the same time the company announced the promotion of Frank Giovannoni to district superintendent of the Truckee-Lake Tahoe district. Giovannoni, too, is a veteran employe of Sierra Pacific, having joined the company permanently in April, 1938, after part time work extending back to 1936. He started as a laborer and progressed through the apprentice ranks to lineman in 1943. He served in the navy during the war and returned to rejoin the company in 1945 as a lineman and working foreman.

In May, 1952 he was promoted to line foreman, a position he held until his advancement this week.

FIVE YOUNG SKIERS IN MONTANA MEET

Five young skiers from this vicinity left this week for Montana to enter the finals in the junior competition after qualifying during the weekend at Heavenly Valley.

Wayne Poulsen of Squaw Valley qualified for first place in the races and Vicki Jones of Tahoe and Bobby Forester of Soda Springs were selected as alternates. Patti Formichelli of Oakland, skiing for Donner Ski Ranch and Allie Cushing of Squaw Valley will also be in the Montana events.

Accompanying the youthful skiers are Babette Haueisen, a coach and Bud Jones of Tahoe who coaches the Thunderbirds.

CONGRESSMAN JOHNSON

Johnson Will Seek Return To Office

Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley counties, district today announced his intention to seek re-election to a third term as a member of the house of representatives.

Congressman Johnson has represented the 19 counties of the 2nd Congressional District since 1958. He currently is a member of the committee on public works and the committee on interior and insular affairs of the house of representatives.

For ten years prior to his election to congress, Johnson represented three of the 2nd District mountain counties in the California State Senate. He also has been active in local government, having served for many years as a member of a board of education and as mayor of his home town of Roseville.

MEMORIAL CANCER DRESSING STATION BUSY IN THIS AREA

The Truckee O.E.S. memorial cancer dressing station has been in existence for ten months. During this time 42 women from Truckee and Lake Tahoe have put in from 1 to 246 hours of lobar for a total of 905 hours. They have completed 900 bed pads and 288 other dressings. These bed pads and dressings are shipped to the Sacramento office of the American Cancer Society, to be distributed to needy cancer patients in Superior California.

Mrs. Wayne Philippi is in charge of the station in Truckee, and was recently appointed area chairman for the area including the towns of Janesville, Susanville, Greenville, Westwood, Quincy, Portola, Beckworth, Loyalton and Sierraville. A station was started in Quincy in January, and it is hoped that sufficient interest will create two more stations in this area.

There are so many needy cancer patients that the demand for these pads and dressings far exceed the supply Mrs. Philippi said. The expenses of the concer dressings stations are partly covered by the Grand Chapter of the Order of the Eastern Star in California, however, one need not be a member of the order to receive benefits from or to participate in this project, she added. Additional funds for the local station are raised by the sale of greeting cards, stationery, and novelty gift items throughout the year, and from memorial contributions from friends of the program.

At the present time the Truckee station meets in the banquet room on the third floor of the Masonic hall for two sessions each second and fourth Tuesday of every month. The first session during the day from 9 a. m. to 3 p. m., the second session in the evening from 8 to 11 p. m. If you feel that you would like to participate in this worthwhile program, and can spare a couple hours during either session, you would be most welcome to join these women, Mrs. Philippi said.

Many old white sheets and pillow slips are used in this project, and are constantly in need, so if you have any materials to give, or wish any further information, call Mrs. Philippi at LU 7-3023.

GARY GUNKEL WINS MOTHER LODE RACE

ARNOLD — Gary Gunkel of Tahoe Vista, with a team of Irish setters, came in first in the Mother Lode Sled Dog races.

Gunkel's team ran the 16 mile course in 58:22. His team overtook four teams which preceded him from the starting post in four minute intervals.

Douglas Bard of Williams, Ariz., with Siberians, placed second, running the course in one hour and nine minutes. Lee Fishback of Nevada City ran his Huskies through the course in one hour, 11 minutes and five seconds to capture third position.

Fourth place went to Pat Daniels of Nevada City, whose Siberian Huskies had a time of one hour and 38 minutes.

PLANS REVEALED FOR TAHOE FIREMEN BALL

TAHOE CITY—Plans for a gala St. Patrick's Firemen's Ball are being formulated by members of the Tahoe City Volunteer Fire Department according to an announcement made this week by General Chairman Bill Bechdolt. The ball, one of the social highlights of the season, will be held at the Tahoe Sity Fire house on Saturday, March 17, starting at 8 p. m.

This will be the seventh annual ball sponsored by the Tahoe City Volunteer Fire Department and committee members say, "it will be the best ever." In addition to Chairman Bechdolt, the committee members are Walt Finke, food; Marshall Ruhkala, mailing; Bud Meixner, tickets and posters; Harold Farr, clean-up; Basil Kehoe, announcing system; Steve Korich, Charlie Cross and Dick Lambert, prizes; and Bob Jorgensen, decorations.

A midnight buffet will be served. Everyone is invited to attend the ball, and the cost will be $2 per person.

Mr. and Mrs. Eugene Welch are home again after a pleasant sojourn at Death Valley.

KAY CLAUSER WINS WITH VISION ESSAY

Kay L. Clauser, Tahoe-Truckee High School junior, took third place in the annual Safer Driving Through Better Vision essay contest, sponsored by the Sacramento Valley Optometric Society. She received $10 in cash and an engraved plaque at the society's awards banquet February 27 in Sacramento.

On hand to witness the award presentations were Kay's parents, Mr. and Mrs. Dean Clauser of Olympic Valley, her English teacher, Mrs. Weston Sauby, and Mr. Sauby.

Dr. Marvin I. Schwartz of Kings Beach, who co-ordinated the safety contest at Tahoe-Truckee, and his wife also attended the Sacramento banquet.

Planned to emphasize safety and good vision to young drivers, the contest is conducted by the Sacramento Valley Optometric Society in seven northern California counties.

From City—

Roxie Archie returned home from San Francisco Monday where she had received medical treatment for her eyes, receiving a good report on the condition.

WE GOT A IDEA, MOM. ROCKY'S BIRTHDAY'S NEXT WEEK, AND WE'D LIKE TO GIVE HIM A SURPRISE PARTY.

THAT'S VERY NICE. WHO WILL YOU INVITE?

WELL-THERE'S LINDA AND JOHNNY COOPER, AND KATHIE, AND CLARENCE-

I DON'T WANT CLARENCE!

BUT HE LIVES NEXT DOOR TO ROCKY!

SO WHAT? IF WE DON'T LIKE HIM WE DON'T HAVE TO HAVE HIM.

!

BUT IT'S ROCKY'S PARTY. AREN'T YOU GOING TO ASK SHORTY, EITHER?

WE'LL HAVE SHORTY- BUT I DON'T WANT HIS BROTHER CLARENCE!

HOW CAN YOU DO THAT, PAT?
